Congratulatory message from College Council

Life is a journey and each one of you, as a traveler, should know your destination or goal before you take this journey. Allow me to say Well done to you, each one should pat oneself, because you have done very well in taking charge of your destiny.

Your destiny is decided by you, the journey to your destiny planned by you, but the road that you will be traveling on is not decided by you but by fate. You don't know what obstacles lie ahead, but all what you know is your goal, your destiny, your dream about yourself.

Every man is the architect of his future (Man includes boy, girl, and woman), so as you know that Architects design, this time, you designed your future after you had decided your destiny. Have courage and commit yourself to your goal, no matter what. You need to be confident that you can make it, you will achieve what you aspire to be. If you tell yourself that you will, then you can.

Imagine a Journey by Car, it has stops, potholes, detours, obstructions from a huge slow old Tractor or Truck, and a committed driver applies the necessary caution to abide by the requirements of the obstacle because of the burning desire to reach his Destination. Without commitment, your courage can easily be deflated and lose your Focus and suddenly be derailed.

Congratulations to you PE TVET College 2022 Graduates, because while you each know what motivated each of you, you all committed yourselves to get your Diplomas and Certificates to open doors to your dreams. Your confidence that that you will get to your destination gave you the conviction to be resilient to all pressures that you encountered. What does not kill you makes you stronger, you were confident enough because of your commitment to your dream you made it so far.

Your conviction to your future has taken you so far, you are now receiving that key to your dream. Go for it. Do not allow anything to stand on your way, you have made it this far. The car that you have driving throughout your journey has taken you to Completion of your Journey, now implement your dream.

On behalf of the PE TVET College, I wish you all the best. Remember that all fingers are now pointing at you.

Each one must adopt the motto: IADOM=IT ALL DEPENDS ON ME.

Ms Nosidima Ndlovu
PE TVET College Council Chairperson

National Anthem

Nkosi Sikelel' iAfrika

(God Bless Africa)

Maluphakanyisw' uphondo lwayo,

(Raise high Her glory)

Yizwa imithandazo yethu,

(Hear our Prayers)

Nkosi sikelela, thina lusapho lwayo

(God bless us, we her children)

Morena boloka setjhaba sa heso,

(God protect our nation)

O fedise dintwa le matshwenyeho,

(End all wars and tribulations)

O se boloke, O se boloke setjhaba sa heso,

(Protect us, protect our nation)

Setjhaba sa South Afrika - South Afrika.

(Our nation South Africa - South Africa)

Uit die blou van onse hemel,

(Ring out from our blue heavens)

Uit die diepte van ons see,

(From the depth of our seas)

Oor ons ewige gebergtes,

(Over our everlasting mountains)

Waar die kranse antwoord gee,

(Where the echoing crags resound)

Sounds the call to come together,

And united we shall stand,

Let us live and strive for freedom,

In South Africa our land.

YOUR FUTURE STARTS NOW
